Maintain a Healthy Bottom Line

From sole providers to large hospitals, healthcare professionals are on a mission to promote healthy and meaningful living. But you can't fulfill that mission if your practice falters financially. You might have revenues left on the table by poor scheduling, billing and collections practices. There are complex HIPAA regulations and insurance requirements to navigate. Perhaps you're having trouble finding qualified staff, or you're wondering where to start when selling your practice.

The needs of your practice go beyond financial statement preparation, tax planning and compliance.

So we provide solutions that go beyond what a traditional CPA offers.

OUR SOLUTIONS, YOUR BENEFITS

- **increase revenues by improving your processes**
- **minimize fraud risk by focusing on your processes and controls**
- **find and hire qualified employees**
- **get the most money out of your practice**

The goal isn't merely to get your numbers in order; we take a holistic approach to help you **transform your practice and get sustainable results.**

Read more to see how we can help you keep your finger on the pulse of your practice's business.

The James Moore Difference

James Moore provides **solutions that transform, with results that last.** As a result of our work, practices have seen:

Up to **900%** increase in profits through revenue cycle enhancement

200% increase in retirement contributions by physician owners, which significantly decreases their tax burden and provides asset protection

Solutions that **reduced HR staffing costs by up to 50% while keeping morale high**

Maximized value of their practice upon retirement
