MANUFACTURING SEGMENT

Transformative Solutions for *Every Aspect...*

...Of **Your Business**

Today's businesses and consumers want more goods, and they're ready to spend for it. But are you ready to meet the demand? It's a tall order when you need to fill skilled labor positions, understand business and employment regulations, find ways to save money, and invest in your facilities and raw materials.

Your needs go beyond financial reporting and tax planning. So we provide solutions that go beyond what a traditional CPA offers.

OUR SOLUTIONS, *YOUR BENEFITS*

- **refine your goals, identify your challenges and set priorities by developing a strategic plan**
- **focus on your operations, directing your resources to the areas that matter most**
- **attract and retain talent that fits within your unique workforce**
- **identify and develop future leaders in your organization**
- **long-term success through proper execution and accountability**

The goal isn't merely to get your numbers in order; we take a holistic approach to help you *transform your organization and get sustainable results.*

Read more to see how we can help you shape your future... so that you can better fill the demands of today, tomorrow and beyond.

The James Moore Difference

James Moore provides **solutions that transform, with results that last**. As a result of our solutions, we have:

Reduced walking distance for warehouse employees by

2 miles/day

Helped business owners **sell** their companies in as little as one year for as much as **2X** the estimate of value

Increased cash flow for companies by as much as **\$500K** over 5 years through complex tax savings strategies

Reduced staffing costs for small businesses by up to **50%** while keeping morale high

Serving the manufacturing industry for

50+ years

Dedicated Manufacturing Team that **understands the importance of managing production by the numbers**

Lean Six Sigma expertise means **efficiency and quality**

A Holistic Approach to Help You Thrive

At James Moore, we understand that your business concerns aren't just about forms and financial statements. So we offer a wide range of services to help you in every aspect of your operations.

HR Solutions – Gain peace of mind over the needs of your unique workforce in an ever-changing compliance environment.

Leadership Development & Corporate Training – Develop a long-term talent pipeline and provide future leaders with the tools they need to take over the reins when the time comes.

Lean Six Sigma Certification – Ensure long-term success for your process improvement efforts by having someone on your team certified in Lean Six Sigma.

Operational Excellence – Improve your operations and grow your bottom line by redirecting your resources to the things that matter most.

Strategic Planning – Refine your goals, establish priorities and develop clear steps so your team can move forward with clarity and confidence.

Technology Solutions Consulting – Safeguard your IT network and maintain secure cyber-connections with your clients and employees.

Transition Planning – Transition your business to who you want, when you want and for how much you want or need.

Audit & Assurance – Have confidence that your financial reporting is accurate and meets industry standards and lending requirements.

Tax Planning & Compliance – Minimize tax burdens and maximize cash flow while navigating complex filing requirements, including taking advantage of tax incentives offered to manufacturers.

Outsourced CFO Services – Complement your existing financial staff with a customized solution that gives you real-time accurate reporting to help you make informed decisions.

Wealth Management Services* – Make your short- and long-term financial goals a reality with financial guidance, planning and strategies.

*Advisory services offered through HK Financial Services (HKFS), a Registered Investment Advisor. James Moore & Co. and HKFS are independent of each other.
